*"I have loved you with an everlasting love"*  
Jeremiah 31:3

**RECEPTION:** Well it has been an exciting week in reception. An alien spaceship landed in The cloakroom on Tuesday morning. We have enjoyed examining it and taking our own photographs. We have been busy writing letters and lists and making spaceships with construction equipment to help the alien and to find out what's going on. The alien left us a book which we will be using next week. The children are really enjoying the beginning of this unit of work. Next week we will be building junk spaceships and toys. Therefore I would appreciate any boxes, cartons etc brought in for the children to use! In maths we have been looking at 10 and finding hidden numbers in the numicon ten frame. This has been great fun and the children have worked hard with this tricky topic. We have also been concentrating on good careful counting. In RE we have been talking about why we are special and the families we belong too. Next week we will begin our new unit on the year of mercy. The first corporal works of mercy we will be looking at is feeding the 5000. If you had put your name down for the stay and play session that got cancelled please could you let myself or Mrs Cloudsdale know as we are trying to rearrange for a date this half term. Thanks have a lovely weekend!

**YEAR 1:** This week we have been very busy being scientists and looking at different materials around our class and describing them! The children loved exploring and working in groups! In maths, our number bonds to 20 have really come along, thank you to everyone who has supported us and helped their child at home, it has really made a difference. Next week we will be looking at a new traditional tale, and we will be learning it to perform in groups before writing it into our books. Have a lovely weekend!

**YEAR 2:** Next week we are starting multiplication work linked to the 2, 5 and 10 times tables. Thank you everyone who has been practicing extra at home every day this has really helped. In literacy we are changing 'The Magic Paintbrush' story to create our own. We are practicing speech between two characters and endings linked to the story. We are beginning to look at 'The Year of Mercy' in RE. Our topic this half term is China and in science we are identifying the different uses of various materials. Please keep up the daily reading, all the children are benefitting from the practice. Have a great weekend!

**YEAR 3:** This week we have continued with our Roman topic, learning about why the Romans invaded Britain. Children are enjoying this topic and asking me interesting questions! Next week, on Wednesday, we will have a visit from Charlie Lupton who will spend the day making Roman siege weapons with the children as well as other activities. This always proves to be a great day which the children thoroughly enjoy! In Maths children have been subtracting hundreds, tens and units using a number line in preparation for moving onto column subtraction next week. In Literacy, children have been reading and learning the warning story 'The Canal' and thinking about the story from the characters point of view. Next week, we will look at changing the story to complete our own version of a warning story. This week's homework is to have a 30 min go on the Athletics website – focusing on addition and to read at least 3 times. Please record entry into your child's reading diary. Many thanks. Have a lovely weekend!

**YEAR 4:** Year 4 has had a great week this week rounded off with an 'Awesome' Lego workshop and programming day. The children have also worked really hard in maths on their fraction work. This week we will be looking at simplifying fractions and adding fractions. In Literacy we will begin with a fear tale. In RE we will be beginning our work linked to the year of mercy. This will start with exploring how we are all called to be merciful. The children will need their PE kits for Tennis on Tuesday afternoon. **Please could you all have a look at home for Rio's glasses and sports clothes which have been missing before Christmas. The glasses are black Quiksilver glasses and the sports kit contains trainers and a red hooded jumper. Thanks for your help. Have a great weekend!**

**YEAR 5:** In our RE work we will be looking at a painting and learning about the Year of Mercy. In mathematics we will be learning about equivalent fractions and in English work we will be starting a new unit of work based around the story of 'Wolf Brother' by Michelle Paver. Have a good weekend.

**YEAR 6:** It's been a busy week in year 6. In maths we have been learning more about fractions in readiness for being able to calculate with fractions, which is a requirement of the new National Curriculum. The children need to be confident with their tables in order to be find equivalent fractions, so extra practise at home would be beneficial. In Literacy, we have been learning about different language structures that are found when writing a non-chronological report. The children have researched an animal that lives in the Amazon, ready to write a non-chronological report next week. Next week the children will find out more about the different types of vegetation in Brazil, focussing on the rainforest. I hope you all have a great weekend!

**A NOTE FROM MRS NICHOLAS (PLEASE READ THIS SECTION AS ALL SCHOOL INFORMATION IS IN HERE)**

It's been a busy week as we start to get back into our work routine. Year 3 attended Mass on Tuesday morning. On Wednesday Father Bob came to school and held assemblies for KS1 and KS2 to celebrate the Year of Mercy. Year 4 really enjoyed the Junior Stem Lego Robotics Workshop on Friday, which was followed up by a one off after school club for the first 20 children who returned their forms from years 4 and 5. Sorry to those children who didn't get a place this time but numbers were limited.

We are sorry that swimming for years 5 and 6 had to be cancelled last Wednesday, this was due to the pool having no lifeguard. Swimming should, we hope, be on this Wednesday as usual.

**THIS WEEK:** On Tuesday 19<sup>th</sup> January some of our year 5 & 6 children will be taking part in the Sportshall Athletics competition at Millom Recreation Centre. We hope all of the children enjoy the afternoon. On Wednesday 20<sup>th</sup>, year 4 have a visit from Charlie Lupton who will be bringing the Romans Workshop for them. We know they are really going to enjoy this day.

**IMPORTANT:** Please can we ask you to check your children's heads thoroughly this weekend. We have had some instances of head lice in school this week so please do be vigilant. Lotion is no longer available from the Children's Centre. We have been advised to direct people to the Community Pharmacy Minor Ailment Scheme which is at either of the Chemists in Millom. If you do NOT normally pay a prescription charge, pharmacists will be able to provide you with advice and/or medicines for minor conditions free of charge.
