

THE FLYING START FEDERATION

Preventing Radicalisation Policy

SAFEGUARDING PUPILS/STUDENTS WHO ARE VULNERABLE TO EXTREMISM

Background

This 'Preventing Radicalisation Policy' is part of our commitment to keeping children safe. Since the 'Education and Inspections Act 2006' schools have a duty to promote community cohesion. Over the last few years, global events have led to a growth of extremist viewpoints, including advocacy of violent extremism.

Schools have an important part to play in both educating children and young people about extremism and recognising when pupils start to become radicalised. In March 2015, new statutory duties were placed on schools by the Counter Terrorism and Security Act (2015) which means they must work to prevent children being drawn into extremism.

Safeguarding children from all risks of harm is an important part of a school's work and protecting them from extremism is one aspect of that.

Ethos

In the *Flying Start Federation of Schools* we ensure that through our school vision, values, rules, diverse curriculum and teaching we promote tolerance and respect for all cultures, faiths and lifestyles. The governing body also ensures that this ethos is reflected and implemented effectively in school policy and practice and that there are effective risk assessments in place to safeguard and promote students' welfare.

We have a duty to prepare our children for life in modern Britain and to keep them safe.

Pupils who attend our school have the right to learn in safety. We do not tolerate bullying of any kind and will challenge derogatory language and behaviour towards others.

Statutory Duties

The duty to prevent children and young people being radicalised is set out in the following documents.

- Counter Terrorism and Security Act (2015)
- Keeping Children Safe in Education (2015)
- Prevent Duty Guidance (2015)
- Working Together to Safeguard Children (2015)

Non-statutory Guidance

- Promoting fundamental British values as part of SMSC in schools: Departmental advice for maintained schools (DfE 2014)

The Flying Start Federation of Schools values freedom of speech and the expression of beliefs / ideology as fundamental rights underpinning our society's values. Both pupils/students and teachers have the right to speak freely and voice their opinions. However, freedom comes with responsibility and free speech that is designed to manipulate the vulnerable or that leads to violence and harm of others goes against the moral principles in which freedom of speech is valued. Free speech is not an unqualified privilege; it is subject to laws and policies governing equality, human rights, community safety and community cohesion.

The current threat from terrorism in the United Kingdom may include the exploitation of vulnerable people, to involve them in terrorism or in activity in support of terrorism. The normalisation of extreme views may also make children and young people vulnerable to future manipulation and exploitation. The Flying Start Federation of Schools is clear that this exploitation and radicalisation should be viewed as a safeguarding concern.

Definitions of radicalisation and extremism, and indicators of vulnerability to radicalisation are in Appendix 1.

The Flying Start Federation of Schools seeks to protect children and young people against the messages of all violent extremism including, but not restricted to, those linked to Islamist ideology, or to Far Right / Neo Nazi / White Supremacist ideology, Irish Nationalist and Loyalist paramilitary groups, and extremist Animal Rights movements.

Risk

The school governors, the Head Teacher/Principal and the Designated Safeguarding Lead will assess the level of risk within the school and put actions in place to reduce that risk. Risk assessment may include consideration of the school's RE curriculum, SEND policy, assembly policy, the use of school premises by external agencies, integration of pupils by gender and SEN, anti-bullying policy and other issues specific to the school's profile, community and philosophy.

This risk assessment will be reviewed as part of the annual s175 return that is monitored by the local authority and the local safeguarding children board.

Response

Schools are required to identify a Prevent Single Point of Contact (SPOC) who will be the lead within the organisation for safeguarding in relation to protecting individuals from radicalisation and involvement in terrorism: this will normally be the Designated Safeguarding Lead. The SPOC for The Flying Start Federation of Schools is Gina Finch. The responsibilities of the SPOC are described in appendix 2.

When any member of staff has concerns that a pupil may be at risk of radicalisation or involvement in terrorism, they should speak with the SPOC and to the Designated Safeguarding Lead if this is not the same person. The process can be found in appendix 3

Numerous factors can contribute to and influence the range of behaviours that are defined as violent extremism, but most young people do not become involved in extremist action. For this reason the appropriate interventions in any particular case may not have any specific connection to the threat of radicalisation, for example they may address mental health, relationship or drug/alcohol issues.

Internet Safety

The internet provides children and young people with access to a wide-range of content, some of which is harmful. Extremists use the internet, including social media, to share their messages. The filtering systems used in our school blocks inappropriate content, including extremist content.

We also filter out social media, such as Facebook. Searches and web addresses are monitored and the Teachers and ICT technician will alert senior staff where there are concerns and prevent further access when new sites that are unblocked are found.

Where staff, students or visitors find unblocked extremist content they must report it to a senior member of staff.

We are aware that children and young people have access to unfiltered internet when using their mobile phones but children in our schools are not allowed to bring mobile phones to school.

The Acceptable Use of ICT Policy (AUP) refers to preventing radicalisation and related extremist content. Pupils and staff are asked to sign the AUP annually to confirm they have understood what is acceptable.

Pupils and staff know how to report internet content that is inappropriate or of concern.

Staff Training

Staff will be given training to help them understand the issues of radicalisation, are able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns. This information also forms part of induction safeguarding training. Staff are updated as necessary in weekly safeguarding briefings.

Appropriate staff will be WRAP trained

Safer Recruitment

We ensure that the staff we appoint to the school are suitable, our recruitment procedures are rigorous and we follow the statutory guidance published in part 3 of *Keeping Children Safe in Education (2015)*. Vetting and barring checks are undertaken on relevant people, including governors and volunteers.

Visitors

Visitors to the school are made aware of our safeguarding and child protection policies on arrival at the school and are given information about what to do if they are concerned about any aspect of child welfare.

Visitors who are invited to speak to pupils will be informed about our preventing extremism policy and relevant vetting checks are undertaken. We undertake due diligence to ensure that visiting speakers are appropriate. Speakers will be supervised at all times and will not be allowed to speak to children with a member of staff being present.

Staff must not invite speakers into school without first obtaining permission from the headteacher.

'No platform for extremists'

The school is vigilant to the possibility that out-of-hours hire of the school premises may be requested by people wishing to run an extremist event. The school does not accept bookings from individuals or organisations that are extremist in their views.

Signs of vulnerability

There are no known definitive indicators that a young person is vulnerable to radicalisation, but there are number of signs that together increase the risk. Signs of vulnerability include:

- underachievement
- being in possession of extremist literature
- poverty
- social exclusion
- traumatic events
- global or national events
- religious conversion
- change in behaviour
- extremist influences
- conflict with family over lifestyle
- confused identify
- victim or witness to race or hate crimes
- rejection by peers, family, social groups or faith

Recognising Extremism

Early indicators of radicalisation or extremism may include:

- showing sympathy for extremist causes
- glorifying violence, especially to other faiths or cultures
- making remarks or comments about being at extremist events or rallies outside school
- evidence of possessing illegal or extremist literature
- advocating messages similar to illegal organisations or other extremist groups
- out of character changes in dress, behaviour and peer relationships (but there are also very powerful narratives, programmes and networks that young people can come across online so involvement with particular groups may not be apparent.)
- secretive behaviour
- online searches or sharing extremist messages or social profiles
- intolerance of difference, including faith, culture, gender, race or sexuality
- graffiti, art work or writing that displays extremist themes
- attempts to impose extremist views or practices on others
- verbalising anti-Western or anti-British views
- advocating violence towards others

Monitoring and Review

This policy will be monitored by the governing body at least annually by receiving a report from the Designated Safeguarding Lead.

This is not a statutory policy and will be reviewed at an appropriate time not later than two years after ratification by the governing body.
