"I have loved you with an everlasting love"
Jeremiah 31:3

RECEPTION: What a fantastic week in Reception. We have completed some lovely writing with our toys in space topic. Next week we will be looking at Jack and Jill. In maths we have enjoyed money and liked making different amounts and sorting the coins. Next week we will be looking at subtraction. In RE we are continuing with the feeding of the 5000. Have a lovely weekend.

YEAR 1: This week we welcomed Miss Robinson into our class! She will be with us for the next nine weeks and we are looking forward to her teaching with us. This week we were visited by an Elf Reporter from the Fairy Tale News! We have had to write a news report and record an interview for them! Maybe next week we may have a few more visits. We will be carrying on with the Three Little Pigs in Literacy and in Maths we will be looking at Time. In RE we will be looking at the Feeding of the Five Thousand; the children have really enjoyed our new topic, thinking about the Year of Mercy! Have a lovely weekend!

YEAR 2: Next week we are going to plan and write our own stories about 'The Magic Brush' changing all the ideas in the original story but following the structure. Hopefully we are going to make a class book, so we can share our work with everyone too! In maths we are continuing with multiplication using different methods and problems. Our China topic is going well and we are researching facts to make a display this week. We are also starting our 'Year of Mercy' work in RE looking at some famous Art and creating our own. This week the children completed some more of our Science work looking at different materials and their uses. Have a great weekend everyone and see you all next week.

YEAR 3: Year 3 has had another busy week! Children really enjoyed the Roman workshop on Wednesday – hopefully some of you were able to come and see the Onega they built after school. If not, I'm sure the children have told you all about it! We have been looking at column subtraction this week and it has proved tricky at the start. We are persevering with the methods and getting better! In Literacy children have been thinking about planning their own version of a warning story based on 'The Canal' that we have read. Children have come up with some good ideas and their stories are beginning to take shape. We are particularly thinking about using paragraphs to show our story is moving on and again looking at punctuating speech in our stories. Have a lovely weekend!

YEAR 4: Y4 have had a great work this week. They have impressed me with their ability to find equivalent fractions and simplify fractions using the bar method. In Literacy, we have been learning the story of 'The Monster Over the Hill' and learning how to use adverbial phrases effectively in their writing. This coming week, We will be looking at the use of direct speech within stories and how to punctuate this accurately and in maths, we will be learning about adding and subtracting fractions with the same denominators. In RE, we have begun our work on the seven corporal works of mercy and how this links to Jesus' teaching in the parable of The Sheep and the Goats. We will focus particularly on how we are called to feed the hungry over the next couple of weeks. Please can I ask that children do make an effort to complete their homework by Wednesday, thank you for your help in this? Have a great weekend.

YEAR 5: Year 5 have been working very hard this week and have produced some fantastic work! We began reading our new class book, *Wolf Brother* by Michelle Paver. This not only links in with our current literacy unit on Conquering the Monster tales, but it also links to our new history topic: The Stone Age to the Iron Age. We will be going on a school trip which involves taking part in Stone Age and Iron Age activities later on this half term (more details will be given out about this nearer to the time). Also this week, we began learning about the Year of Mercy by looking at a painting which depicts the Corporal Acts of Mercy. We will be learning more about these acts next week and then begin focusing on each Act of Mercy in more detail. Please could I take this opportunity to request that you continue to listen to your children read at home and encourage them to talk about the books that they are reading with you along with practising their handwriting. I hope you all have a lovely weekend!

YEAR 6: It's been another busy week in year 6. On Tuesday, a team from Y6 competed in an athletics tournament at the sports hall. They behaved brilliantly and came second overall. Well done! In maths we have been learning to add and subtract fractions with different denominators. Next week, we will go on to multiply and divide with fractions, which is a requirement of the new National Curriculum. Extra practise at times tables will continue to help the children. In Literacy, we have been learning to research information and take notes, punctuating bullet points correctly. We have been given the opportunity to take part in the Cumbrian book awards again this year. There are ten new titles in class and the children are challenged to read at least six of them by the beginning of April. The children may bring the books home to read as long as they have recorded them and they are looked after. At the moment, it is a battle to get the children to put their books down! In our topic work, the children have learnt about different types of biomes around the world and next week will focus on the rainforest. In RE the children will be starting to learn about the Year of Mercy and the seven corporal acts of mercy with Mrs Marmion.

A NOTE FROM MRS NICHOLAS (PLEASE READ THIS SECTION AS ALL SCHOOL INFORMATION IS IN HERE)

On Tuesday some of our year 5 & 6 children took part in the Sportshall Athletics competition at Millom Recreation Centre. Well done to both teams for finishing in 2nd and 3rd places! Year 3 really enjoyed their visit from Charlie Lupton who ran his Romans Workshop for them. We are sorry that swimming for years 5 and 6 had to be cancelled again on Wednesday; this was due to the pool having no lifeguard. We have been assured that swimming will be on next Wednesday.

THIS WEEK: The Stay and Play session for parents in reception class, which was cancelled last term, will be on Thursday 28th January. Please come to school via the Market Street gate for 1.45pm. We have sent a reminder text to parents who were due to come last time but if you are unsure whether this involves you; please do ask our reception class staff at the door in the morning.

IMPORTANT: Please can we ask you to check your children's heads thoroughly this weekend. We have had some instances of head lice in school this week so please do be vigilant. Lotion is no longer available from the Children's Centre. We have been advised to direct people to the Community Pharmacy Minor Ailment Scheme which is at either of the Chemists in Millom. If you do NOT normally pay a prescription charge, pharmacists will be able to provide you with advice and/or medicines for minor conditions free of charge.

I hope you all have a lovely weekend

Children are offered a variety of cereals, drinks and toast with bacon and sausage buns being offered on Thursdays. Children can bring colouring books, books or games to play or they can do their homework. **PLEASE CAN YOU REMEMBER TO PAY DAILY OR WEEKLY FOR BREAKFAST CLUB – THANK YOU ☺**

NO DOGS IN THE PLAYGROUND. THANK YOU: Can we please ask that you do not bring dogs into the playground when you are picking children up from school or dropping them off. Thank you.

ILLNESS: Please remember to ring into school in the morning if your child is absent, stating the nature of their illness. Could we also remind you that if your child is absent due to sickness and / or diarrhoea, the recommended time they need to be absent from school is 48 hours from the last episode. This is to help reduce the spread of infection. Thank you for your help with this.

SCHOOL UNIFORM

Just a reminder of our official school uniform which should be worn by all pupils;

GIRLS UNIFORM: Grey skirt, pinafore dress or trousers. Blue polo shirt. Maroon jumper or cardigan with school logo. Black flat-heeled shoes (not trainers) or White socks or grey tights.

BOYS UNIFORM: Grey trousers or Shorts. Blue polo shirt. Maroon jumper with school logo. Black shoes (not trainers) or sandals. Grey socks.

PE KITS

All children should have a PE kit and a pair of pumps in school at all times. Please check and ensure that your child has the correct uniform.

PE KIT: White top (with or without school logo). Black shorts. Black pumps (not trainers).

If your child does not have their kit, they will not be able to do PE. This includes pumps or trainers. Thanks for your help with this.
