

## School Council Minutes: 26.1.16

☺ School Councillors returned with their selected name for our 'adopt a meerkat'. The results tell us that **PEPSI** is the majority choice of the children in our school. This has been a great example of being informed, sharing ideas and voting - so thank you to everyone for contributing to this exciting new development in our school.

### We welcomed Mr Arrowsmith to our meeting:

Mr A was here to ask about how the children felt about the PE provision for this academic year.

He asked about the providers:

- Good lessons?
- What sport?
- What have you learnt?
- What could be better?

Children gave their personal responses to these questions and Mr A will share this valuable information at a later date.

He asked whether there were any other sports we would like to have in school:

- American football
- Athletics club
- Tennis in PE lessons
- Gymnastics club/specialist
- Karate
- Hockey - indoor or playground

Our Head Boy, Nikhil concluded that:

*There is a lot of variety in our school - we are a competitive school and we like to be successful.*

Ideas shared:

We have had citizen suggestions

Minutes typed up by

Mrs Smith

Mr Arrowsmith was welcomed to our School Council Meeting

He gathered lots of information about PE at Home Farm Primary
