

Millfield Primary School

Behaviour Ladder

Your behaviour is excellent.
You are learning well and working sensibly with others.

Stage 1: You are doing something you should not. It is stopping you or others from learning.

Your teacher will warn you about your behaviour.

Stage 2: Your behaviour has not improved. You will be warned again and this will be recorded in the behaviour book.

Stage 3: Your behaviour is still stopping you and others from learning. You need time away from the main classroom to calm down and focus.

Your teacher will give you 'time out' in a safe area.

Stage 4: Your behaviour is still not what is expected. You are still stopping learning.

You will be sent to spend time in another classroom.

Stage 5: Your behaviour is seriously affecting the learning and safety of others in the classroom.

You will be sent to Mr Kelly or Mrs Parsons. Your parents / carers will be contacted.
