Several

On
Purpose

What should I do if I see someone else is being bullied?

- Tell an adult straight away.
- Don't try and get involved –you might end up getting hurt or you could end up in trouble yourself.
- Don't stay silent or the bullying will keep happening

The Head, the Governors and the staff will work together to:-

- Make our school a place where everyone can feel safe and happy. That means no bullying allowed.
- They will help everyone to get on with each other and they believe that everyone has the right to be who they are.

What will happen to a bully?

Teachers will get involved and help you solve problems and will listen to all the children involved. They can give out red cards, reflection time, missed break, play time report card, use restorative approach, fixed term exclusion and a permanent exclusion.
