Profile	<p>I am a retired police officer with thirty three years service having retired in the rank of detective chief superintendent, Head of CID. Upon retirement I established a community safety network in North Lincolnshire for two years and then headed for six years the Drug Action Team in the East Riding and Hull working locally and nationally at Cabinet Office level and presenting evidence to the Home Affairs Select Committee. Following a further retirement I worked in North East Lincolnshire for six months restructuring the drug strategy network in that area. For ten years I was then the honorary director of a community safety charity operating across the Humberside region tackling criminal justice issues, re-offending rates, drug misuse and supporting young people from troubled backgrounds.</p> <p>I am currently a non executive member of the East Riding Safeguarding Children Board and am involved in other safeguarding children networks.</p> <p>I was first involved with St Anne's through voluntary work becoming a governor after gentle persuasion because I admired the work of the school, pupils and staff so much.</p> <p>My spare time involves grandparent duties, fell walking and open water swimming.</p>
