Profile	<p>I worked in domestic banking from age 16 to my early retirement at 52. So, my whole working life was involved with people and finance. Since retiring, I am on my third spell as treasurer of the local Rotary club, where Lesley invited me to join the governors at St. Anne's, basically to help with the division of finances between School and Residence.</p> <p>My main interests are gardening, water colour painting, and a bit of golf. I enjoy the challenge of keeping the finances of the school on an even keel for the benefit of the children and staff.</p>
