

Governors Profile

Name	Sophie Claybourn
Role	Parent Governor
Term of Office End Date	9 th October 2017
Committee	<p>Special Responsibilities P E</p> <p>Sub Committees Performance&Review Residence Safeguarding</p>
Profile	<p>I qualified from the College of Animal Welfare in Leeds as a Veterinary Nurse in 1998, I worked in two busy Veterinary Practices in Hull between 1990 and 2000. I enjoyed my role of Veterinary Nurse not only working with animals and the public, but being involved in the training of new Veterinary Nurses as we became a training centre.</p> <p>I am married to Mark, have three children, two dogs and a horse!</p> <p>Life was to change in 2000 when I became full time mum to Lily who has Global developmental Delay, severe learning difficulties and behaviour. Poppy followed in 2002 and Thomas in 2006.</p> <p>Lily started St. Anne's in the nursery class just before her 3rd Birthday in 2003 and we have never looked back.</p> <p>I used to volunteer in school with the hydrotherapy and as our third child started school I knew I wanted to be more involved with St. Anne's and was delighted to become a Parent Governor where I am on the Safeguarding and Residence committees. I am also link governor for P.E. which I feel is a vital part of our children's curriculum.</p> <p>In my spare time I enjoy socialising with the SMSC group and supporting the Friends of St. Anne's committee.</p> <p>I try and keep active, walking the dogs, running, trying to go to the gym! and chasing around the children doing their various activities.</p>
