

**Millwood Primary Special School**  
**Allocation and Expenditure of Primary School PE and Sports Funding**  
**(September 2015- September 2016)**

**Introduction**

The government is providing additional funding per annum for academic years to improve provision of physical education (PE) and sport in primary schools.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

**Purpose of funding**

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- support, engage and involve the least active children and encourage them to take up sport
- paying for professional development opportunities for teachers in PE and sport to help them teach PE and sport more effectively.
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying training materials or resources for PE and Sport
- After school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools.

**Funding Allocation (Sept 2015- Sept 2016)**

Pupils on roll aged between 5-11 as record on the annual school census (£8000 + £5 per pupil)	<b>Number of pupils</b>  <b>103</b>	<b>Funding</b>  <b>8515</b>
---	---	-----------------------------------
