

School Council Minutes: 8.2.16

☺ Freya, Evie, Marcus and Erin all accompanied me to Lexden today to visit their School Council. We were warmly greeted by Miss Towndrow and her Councillors. We discussed lots of different aspects about our schools and shared ideas.

There were actually a lot of similarities between us!

We will be sending Lexden a thank you letter and hope to invite them back to visit us either before or just after Easter.
