Drinking Bottles

As a Healthy School, we provide regular access to drinking water for our pupils. To enable pupils to take advantage of this, we do ask that our pupils are provided with a drinking bottle from home on a weekly basis. We currently have a situation where quite a few pupils do not have a water bottle in school and this creates issues for the school in providing access to drinking water for these children. Please try to ensure that, you send your child into school with a bottle. Many thanks in anticipation of your continued support over this matter.
