

I am currently Vice-Chairman of the Governors and I am also Chairman of the Finance Committee. I grew up on a farm in Newport and attended Newport Primary School as a child. I worked for NatWest/Royal Bank of Scotland International for 18 years in Yorkshire and Jersey as a Corporate Credit Manager. I left when I had my second child and we moved back to Yorkshire in 2012. I now work part time at Newport Pre-School as the Admin Assistant and I am also their Treasurer. I am married and have two children at Newport Primary School. When I do have any spare time, which is not very often, I enjoy swimming, painting and taking photos of the wildlife and landscapes.
