Dear Parents/Carers

Class JH Year 1/2 - Invitation to a Space DT Afternoon
Thursday 17 March 2016

We would like to invite you into school to participate in our space themed design technology afternoon on Thursday 17 March from 1.30pm until 2.30pm.

During the afternoon the children will work with you to design and make a space rocket. Children will be briefed in school beforehand, however, you may wish to discuss a design with your child and brainstorm some ideas for how it will be constructed before the design technology afternoon.

There will be some spare junk modelling materials available in class, however, it would be appreciated if you could donate suitable junk modelling items e.g. cereal boxes, kitchen roll tubes, tin foil, drinking straws, yoghurt pots etc. Donated items can be delivered to our classroom.

You are also welcome to bring any materials needed with you to construct the model itself. There will be a selection of paint, PVA glue and sticky tape also available in school.

Please complete and return the slip below to confirm your attendance. We will have to limit numbers to 2 adults per child. Due to the volume of people we kindly request that younger siblings do not attend. If you cannot attend, your child will still participate in the afternoon, just under the care of a teacher or teaching assistant. Please arrive at the main front entrance of the Key Stage 1 building at 1.20pm for signing in. Thank you for your support.

Yours sincerely

Class Teacher
Mrs Hill
