Friends of Warley News

Friday 26th of February 2016

**The Friends of Warley Primary School
Are very happy to announce the launch of our new website!**

www.pta-events.co.uk/fow

We have been busy working on our new website in the hope that it will help us to communicate better with our school community.

You will be able to purchase tickets/make bookings for events
(The first of which will be our Mother's Day Secret Room)

See our newsletters

Purchase our hugely discounted Adventure Island wristbands

Look at available uniform ready for rehoming

Keep up to date with our "what's on" guide

Watch as our fundraising thermometer grows as we raise money together

See who is serving as your elected committee

(And giggle at our photos!)

Volunteer your time (always very welcomed!)

Take part in questionnaires

Use the business directory to search for local companies

And

If you register your children's name and year group we hope to find volunteers to become class rep as the main point of contact (1 or 2 for each year) to help everyone keep in touch.

This could help with things such as tracking down lost jumpers or lunch boxes and so much more.

When you register your details will be fully protected and you can provide as much or as little information as you choose, only the class rep and website admin will have access, even with just your email address it allows us to keep you updated and the more people that take part the more successful we will become.

Remember also extended family and friends can also register if they wish to purchase event tickets or make an event booking.

There is also a fantastic opportunity for us to use our website to earn money for the children.

If you would like to be listed in the Business Directory or sponsor us (for a small fee) and have your company logo displayed on the website or know/work for a business that would be interested in supporting us please contact on the above email for further details.

We hope that you find the website to be a useful facility, this is a new adventure for all and we look forward to everyone joining us.

If you have any questions or ideas please do not hesitate to email us on friendsofwarley@outlook.com
