

The Federation of St. Sebastian's and St. Cuthbert's:
Principals informing our Behaviour Policy

Our School Mission Statement:

We, the pupils, parents and staff of St. Cuthbert's, strive to create a caring, educational community where; Christian principles and standards are upheld, each person is valued, and the spiritual, aesthetic, and moral growth of individuals, as well as their intellectual and physical needs, are met.

It is this strong emphasis on mutual respect and understanding which underpins the principals and values held by all within our school community and indeed drives our Behaviour Policy.

All procedures outlined reflect the objectives in clear and concise terms, so that all children may respond positively to our high standards of behaviour and discipline and will be consistently encouraged to do so by all adults within our school.

Our school is a happy, welcoming, vibrant community whereby we value each other and we value the work and efforts we pursue for the benefit of each other. Our Behavior Policy reflects this caring, nurturing, extremely positive ethos whilst recognizing the importance of consistency in the maintaining of procedures and systems for the good and benefit of all.

Through our Behaviour Policy, we envisage that every child is always encouraged to reach his/her potential, and to fulfill our school Motto:

**In love with Christ.
Be the best I can.
Be kind to one another.**
