

1<sup>st</sup> March 2016

Dear Parents and Carers

I hope you have now seen the letter that Mrs Hussain sent out last Thursday informing you of the outcome of the visit by the inspector from Her Majesty's Inspector of Schools.

As you will have read, this was very successful and the resulting judgement was that the school was making effective progress in addressing the issues previously identified as requiring improvement. The Governors have been very impressed with the remedial action undertaken by the school leadership team since the last inspection and we recognise the very hard work that has been put in. We would like to take this opportunity to thank Mrs Hussain and all the staff at the school for their commitment and professionalism with which they responded to the examination that they were given.

You may recall that when we met last July, I said that we would arrange a further meeting for you to express your views on how we were progressing towards becoming a "good" or better school. We certainly will be very interested to hear how you feel the changes have become apparent to you and the impact on the children's learning.

We are suggesting that we hold the meeting on **Wednesday 9<sup>th</sup> March** at the school starting at 6pm. We will be organising a free crèche for the children during the meeting. To help us with organising this we are attaching a reply slip to this letter which we would be grateful if you could complete and return to the school office.

I hope you can attend the meeting and we look forward to seeing you then.

Yours sincerely

Charles Clark

On behalf of the Governing Body, Watton at Stone Primary & Nursery School
