4th March 2016

Dear Parents/Carers

As I informed you earlier in the week, we received a monitoring visit from Her Majesty's Inspector of schools. (HMI)

I am writing to let you know that the children, staff and governors were a credit to the school and clearly presented a positive view of the school to the inspectors.

HMI will now write a report which should be available in around three weeks time. Once this report is available I will let you all have a copy and put it on the website. Until this time, unfortunately the staff, governors and I are unable to provide any information on the hoped for outcome of the inspection, since this would just be speculation.

This has obviously been a very busy time for all concerned at the school and whilst we have tried to keep to 'business as usual' I apologise on behalf of myself and the staff if we have not been as efficient as normal; for example we have still to let parents know about parents evening times.

Thank you again for your support, please be assured that I will let you know the outcome of the visit as soon as I know.

Yours sincerely

Mr P Lewin
Head Teacher
