

MILLWOOD NEWS

ISSUE No 269

NEWSLETTER DATE FRIDAY 4TH MARCH 2016

MOTHER'S

DAY

We wish all our wonderful mums and grandmothers and aunties a very happy Mother's Day on Sunday.

LIVING EGGS

Our chicks have started to hatch.

BURY FC MASCOTS

Well done to Harrison and Ethan who were the mascots at the Bury FC match against Peterborough on a very cold and wet night. They were absolutely fantastic as are all our junior fans including Rocket, Jack, Finley, Mia, Eva, Alex, Areebah and Stacy. Let me know if I have missed anyone out as I know lots of you go. They brought Bury very good luck with a 3-1 win. UTS. See the photographs. Many thanks To Sian Godwyn for organising.

Nursery 1 This week has been interesting and fun, looking at the creatures that live in the sea. We have explored different fish and a crab. We painted on fish and used them to print on paper. In cooking we made fish shaped pizzas topped with tuna. The children have enjoyed listening to underwater songs and stories about the sea. Wow what a week we have had!

Whitelow 1 This week in Whitelow 1 we have welcomed Spring by exploring new life. We visited the chicks, and made chick pictures using hand and finger prints.

Nursery 2 This week has been very exciting. We have been learning about the life cycle of a chicken and we have been to visit the chicks in the incubator to watch them hatch. We all used our kind hands to stroke the chicks and we all listened very carefully to their little chirp.

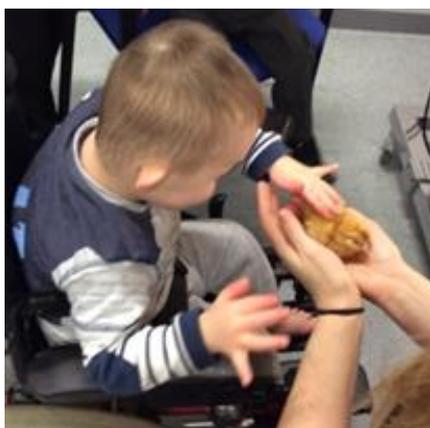

Whitelow 2 This week the children have been fascinated by the newest members of the

Millwood family. They have loved learning about chickens; their life cycle, singing songs and creating pictures of chicks. But most of all meeting them, and being super gentle as they studied them closely.

What a wonderful

Springtime event.

Redvales 1 have had a fantastic week. We made some lovely gifts for the special ladies in our lives (shhhh, it's a secret until Sunday!) We also continued reading "Winnie the Witch and the Midnight Dragon" and made a very smelly potion using all sorts of sensory ingredients. In Art we explored the work of Magritte and created some beautifully surreal sunset pictures.

Redvales 2 have had a very busy week. In literacy we have been looking at magazines, their layout and contents. In numeracy we have been learning about directions. We have all enjoyed watching the chicks in school and are so excited about them hatching. Today we had a lovely painting session choosing our own pictures, using fine paintbrushes and really concentrating to create a masterpiece.

Redvales 3 We have had a super week! We have learned all about Australia in geography. We packed a suitcase and looked carefully at what items of clothes we would need for a hot country. We also had fun in the sand! We have also been learning about Spring flowers and using our senses to touch and smell them. Don't forget to have a go at the topic book project!

Redvales 4 have enjoyed looking after and learning all about the chicks!

Redvales 5 have had a fantastic week. Our animal theme this week has been birds. We have also been very excited by the special visitors in school. Redvales 5 have enjoyed watching the chicks hatch and grow.

Redvales 6 have had a fantastic week! We made some lovely Mother's Day treats. We hope you like them! We have also been working hard in Numeracy comparing big and small and made a papier mache model of a mountain in Geography.

Irwell 1 have had a lovely week continuing to explore animals from the sea. We all enjoyed touching and smelling the crab. We moved on to learn about birds this week and have enjoyed seeing the chicks hatch in school and made bird feeders to hang out in our playgrounds.

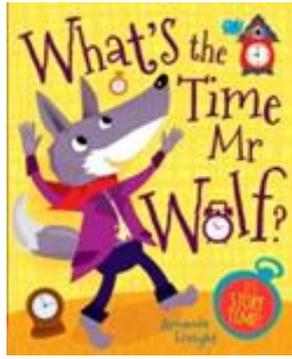

Ir-

well 2
This week

Irwell 2 have been learning about Palm Sunday in RE. We have also worked really hard at swimming, some of us have passed our stage 1 or 2 swimming certificate!

Irwell 3 This week we have had lots of fun playing "What's the time Mr Wolf?" as part of our work on clocks. We did a lot of giggling as we took it in turns to be the wolf. In art we had lots of fun making our own spiders with wobbly eyes. We counted our spiders to make sure they all had eight legs!

Irwell 5 This week in Irwell 5 we have started to look at things that are growing. We have talked about the things that plants need to live e.g. light, water and soil and we have planted our own beanstalks. Let's hope they grow and produce some beans.

Irwell 4 This week Irwell 4 have enjoyed reading "Owl Babies" in literacy as part of our Fur, Skin and Scales topic. We have also been lucky enough to see the chicks hatch from their eggs and have been learning how to look after them.

Ir-
had

well 6
the
privi-

lege of watching a chick hatch on Tuesday and were absolutely fascinated. We have also have an exciting week with Matthew and Harris swimming 100m on Wednesday.

LITERACY AND NUMERACY FUN!

We have had great fun exploring the sensory props in the story of "Aladdin" as told by the lovely Emily from Twinkleboost.

Aladdin

STARS OF THE WEEK

FS/KS1

Adam S for amazing work in all of his lessons and for writing his name independently.

KS1/2

Cody K for being so caring and such a fantastic friend to Joele.

Best wishes
Helen Chadwick
Headteacher

RADCLIFFE TOWN COMMUNITY CARNIVAL

"creating fond childhood memories!"

Would you like your son or daughter to represent Radcliffe by becoming one of our royalty for 2016-2017?

If you do then come along to our selections at
St Marys Catholic Social Club
Pine Street
Radcliffe
M26 2WQ
On Saturday 5th March at 1PM

Girls section

Petal under 4
Rosebud 5-7
