

# Dalton St Michael's C.E. Primary School

Newsletter 12

April 24<sup>th</sup> 2015

There has been great excitement in school again this week... the chicks have hatched! We now have nine chicks who are enjoying the attention of children and staff and certainly making themselves heard! We are looking forward to handling the chicks next week. We will remember to be careful and to wash our hands properly afterwards! If you would rather your child didn't handle the chicks please let us know on Monday morning.

The sun has really helped our school grounds this week. Our vegetables, herbs and plants are beginning to flourish. We had a lot of children helping at Gardening Club this week which was brilliant.

If any parents have a spare hour to help with Gardening Club on Thursday after school it would be greatly appreciated. Also, if you have any 'pre-loved' large containers please pass them into school – we need some for our fruit bushes in the near future.

Well done to all the children in our cross-country team who took part in an event at Lathom High on Tuesday evening – you not only competed well but demonstrated fantastic team work! Well done!

## Stars of the Week

Reception: **Amara** for counting in 2's, 5's and 10's AND for counting using negative numbers!

Year one: **Oliver E.** for super work when adding and subtracting

Year two: **Oliver S.** for working very hard with his writing this week

Year three: **Tristan** for continually working hard in all subjects and writing a fantastic diary entry

Year four: **Elijah** for helping others by explaining

Year five: **Jessica** for contributing some excellent ideas to our class discussions in English

Year six: **Jack** for demonstrating good sportsmanship and being an excellent team player

## Best Attendance

Lower and Upper Juniors  
with 100%

## Next Week

Class photographs are being taken on Tuesday morning.
