Newsletter 2

January 15th 2016

Welcome to Dalton School to our new families. Ellie, Kylan and Olivia have settled so well into our school. It is lovely to have Zachary back with us too!

In Class two there has been lots of researching and finding out about 'The Great Plague'. The children were fascinated to learn about the 'Plague Doctor'. The learning was brought to life and some children were able to immerse themselves fully by dressing up in the costume. They found out all about the smells in London at this time and had the experience of smelling sweet smelling herbs like lavender that would have been used in 1665.

The children also learned about the origin of the Nursery Rhyme 'Ring a ring o'roses'. I am sure they would be happy to tell you all about it!

The PTFA have organised our annual 'Bog-eyed Jog' for next Friday morning at 8.00am. Information and a Sponsor form has been sent out today. Children can wear their pyjamas for the day but please remember footwear for playing outside. Any sponsor money collected will be used to buy additional resources or experiences for the children.
