

Dalton St Michael's C.E. Primary School

Newsletter 9

March 20th 2015

Last week our Athletics team represented West Lancashire small schools in the Sportshall Finals. We are very proud of their achievements!

This morning all the school community went outside to witness the partial eclipse of the sun.

The children made pin-hole cameras and Catherine kindly allowed all the children to use her special glasses to see the partial eclipse.

It was even more entertaining to watch the children eat Jaffa cakes and try to create their own representation of the sun during the partial eclipse.

We were very sad to hear the news of Mrs Sharples passing. She has been such an integral part of Dalton school for over forty years.

Stars of the Week

Reception: **Finley** for his super work on fractions

Year one: **Eva** for always trying her hardest and helping other children also

Year two: **Deacon** for working independently and getting it all right!

Year three: **Izzy** for being kind and helpful in the classroom all of the time

Year four: **Elijah** for a super attitude in all his lessons this week and for his excellent work about teeth in Science

Year five: **Megan** for setting herself challenging targets with spellings

Year six: **Jack** for imaginative writing about a school day with a difference

Best Attendance

Year 3 and 4 with 96.67%

Next Week

Parents' Evening
Wednesday 25th March

End of term on
Friday 27th March
