March 27<sup>th</sup> 2015

Here we are at the end of another term at Dalton School! The weeks have been filled with exciting activities, lots of hard work and enjoyable experiences.

Miss Gordon has been working with the Reception and Key Stage one children and has been an asset to our team...

I can't believe it is my last day already! I have absolutely loved the past ten weeks teaching in the Infant class and I will miss them and the staff so much! I have really enjoyed teaching them all about Antarctica and I hope they have learned lots. Thank you for having me, I will always remember my time at Dalton St Michael's.

Miss Gordon

Jo voted for the winning entries in the Easter egg competition – we had seven winning entries. Well done!

Twenty nine children also earned Easter eggs for 100% attendance!

Earlier this term our year five and year six children wrote letters in support of a bid to the Peter Lathom Charity. We found out today that their letters were successful and we have been awarded £400 from the charity for additional resources for mathematics. The children are already planning on which resources they would like to spend the money on!

## Stars of the Week
