

Sedgefield Primary School

Learning Together for Life

Alison Barron

I was initially appointed as an Authority Governor in 2011 and more recently moved to a Co-opted Governor position when the Governing Body reconstituted, to meet new legislation, in 2015. Whilst I have the added bonus of having 2 grandchildren who are pupils here, it's rewarding to play a part in ensuring all pupils have the best possible chances in school. Prior to retirement, my job involved supporting Governing Bodies and I am pleased to be able share my experience when appropriate. I serve on the Personnel, Learning Together for Life and First Committees. I have Pupil Voice as my area for monitoring, which means I attend meetings of groups such as the School Council, School Nutrition Action Group, Eco Warriors, etc., which I find very enjoyable. The children at Sedgefield Primary are very good at expressing their opinions and contribute in so many ways to things that happen in school.

Register of interests statement:

I can confirm that I do not have any relevant business interests including other Governor positions and that I do not have any relationships with members of the school staff including spouses, partners, relatives. There are no other conflicts of interest.
