March 11th 2016

We've had another fun-filled, enjoyable week with lots of new learning taking place...

Class one have been busy learning about healthy eating. The Early Years children made delicious soup today.

Class three have been making bread. They weighed out their own ingredients and kneaded the dough very carefully!

Toby, Amara and Logan took part in a Dance Festival organised by the West Lancashire Sports Partnership. The children told us all about it on their return to school.

Thank you for the generous donations of Easter eggs as part of our non-uniform day today. These will be used at the family Bingo evening next Friday which begins at 6.00pm. Please try to support this event. Any money made will be used to finance additional activities or resources for all our children.

Please return voting slips for the Parent Governor election by Monday 21st March at 1pm. Thank you.

Stars of the Week

Reception: **Poppy** for being really sensible when making soup

Year one: **Amelia** for super 'sounding out' and 'blending'

Year two: **Joshua** for trying really hard with fractions

Year three: **Noah** for sharing his brilliant ideas in our Science lesson and using Scientific vocabulary

Year four: **Niamh** for working hard to improve her presentation in all her books

Year five and six: **Megan** and **Jessica** for brilliant teamwork and making a beautiful loaf of bread which tasted good too!

Attendance

Class 3 with 96.67%

Next Week

Dance Festival for a group of Year three children on Wednesday morning.
