Dear Parents / Carers

### **Parents' and Carers' Opinion Survey 2016**

We have been tracking your views on the strengths of our school for several years. As in previous years we want your judgement on the efforts that have been made since our last annual survey and to help us decide where to put our efforts in the coming year.

Once again the survey is based on the parents and carers survey used under the current Ofsted framework.

Those of you who have more than one child at school will receive, and we ask you to complete, a separate survey form for each child please.

We will let you know the results of this survey early in the summer term and keep you informed about what our school is doing to maintain and improve its performance.

This survey is entirely confidential. If however, you would like a personal response from the Governors to your comments, please give a more detailed response on the back of the form and indicate in the box provided.

When you have completed the survey, please return it to the school office by Friday 22<sup>nd</sup> April 2016.

Many thanks for your help.
