Wednesday 12th November 2014

Dear Parents/Carers

Following a full school Ofsted inspection prior to the October half term, I am absolutely delighted to report that the inspection team have confirmed – Woodfield is an **OUTSTANDING SCHOOL**.

The Ofsted inspection was very thorough and rigorous and provided us with the opportunity to demonstrate progress and achievements, which have taken place at Woodfield during the past few years.

I could not have been more proud of the children and staff for the fantastic commitment they showed during the inspection. The Lead Inspector asked me to pass on his thanks to everyone involved; he also highlighted how happy and caring our children were and how open and helpful the staff had been.

Whilst we are very proud of our achievements, we are committed to constantly moving forward, and always striving to get better at what we do. The outcome of the inspection is an important milestone in the success of our school, but we will continue to focus relentlessly on raising standards and ensuring that all children who attend Woodfield School are given the very best start to their education.

I am confident you will join with me in congratulating each and every member of the leadership, teaching, support and administrative team for their collective achievement and teamwork, the children for their wonderful attitudes and hard work, and yourselves for playing such an important part in this process. I also wish to express my gratitude to the Governing Body for their hard work, support and leadership.

We have much to celebrate, together.

Please find attached a copy of the full inspection report for your information.

Yours sincerely

Mrs J A Charnley
Headteacher
