

1st April 2016

Dear Parents/Carers,

Purple Day

On Friday 22nd April 2016 we will be having a **Purple** Day. This event was an idea from one of our families and has been planned to raise vital funds for Kidney Research UK. Kidney Research UK is the leading national charity dedicated to research that will lead to better treatment and cures for kidney disease. The charity also provides a wealth of information for patients and raises awareness of kidney related issues amongst the general public. Please feel free to view their website if you would like further information.

Our **Purple Day** is a fun way of raising money for this extremely worthwhile charity. All we ask is that your child attends school wearing something purple and brings in a kind donation of £1.00. It could be an item of clothing, a head band or a pair of purple trainers. A token gesture will be quite sufficient. Please do not feel that you need to go out and buy something just for the day.

Thank you for your continued support.

Yours sincerely,

Mrs S. Gill

Deputy Headteacher
