

# St Joseph's Catholic Primary School

## PE and Sport Premium Impact Statement

April 2016

In March 2013 the Government launched a £150 million per annum initiative as part of the Olympic Legacy Strategy. The **PE and sports premium** is additional funding given to maintained primary schools and academies schools in England. It is targeted at improving the provision of physical education and sport.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that schools should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

The amount received by schools is dependent on the number of children on role. In the 2015 – 2016 academic year, St Josephs' Catholic Primary School received £9,303

---

Our standard PE provision is as follows:

- We employ specialist sports coaches to deliver PE across the school
  - Basketball Ks1 & Ks2,
  - Cricket Ks1,
  - Rugby Upper Ks2,
  - Swimming coach
- There are a wide variety of sports activities offered as extra-curricular clubs for both key stages.
  - Zip Zap, Dance,
  - Basketball, Football,
  - Karate
  - Ks1 Lunchtime Active Clubs
- Inter-school (Level 2) - individuals and teams are selected to represent St Joseph's school in local inter-school competitions in Brighton & Hove - football, high 5

netball, Indoor cricket, Kwik sticks hockey, tag rugby, mini tennis, tri golf, cross country, girls cricket, athletics

- The school takes a group of dancers to the Brighton School's Let's Dance Celebration.
- B & H Albion in the Community delivers a sport's programme across the school
- B & H Albion in the Community deliver a Zip Zap Club encouraging children and parents to live healthily (food and exercise)
- The school actively encourages cycling. Bike it Ben from Sustrain regularly visits the school to promote bike related events and activities, Children in upper KS2 are encouraged to complete the Bikeability training.
- Lunchtime staff provide active games and equipment.
- All class are timetabled for a two full sessions of PE
- When children in Year 3, 4 and 5 they receive swimming lessons
- We are well resourced.

In the academic year 15-16 we used the funding to develop and add to our standard provision by achieving the following objectives:

- To increase the number and frequency of sporting activities that the children engage in;
- To provide a basketball court with new markings and nets;
- To increase the variety of sports that the children engage in;
- To increase the amount of specialist teaching;
- To reduce the financial burden of paid extra-curricular clubs therefore increasing take-up;
- To enable class teachers to work alongside PE coaches as part of CPD (continuing professional development);
- To provide funding for transport to enable children to access facilities and competitions;
- To support the general health and well-being of the children;
- To provide a well-balanced, proficient PE curriculum with pre-planned lessons;

- To improve PE facilities to benefit both current and future pupils;

We monitored the impact of the funding through:

- Recording the number of extra-curricular clubs over the year and the take up from children;
- Recording the competitions (level 1 & level 2);
- Keeping an ongoing record of children who have represented the school in sporting events;
- Collating timetables of PE provision in the school;
- Asking children for their views concerning sporting participation, attitudes, enjoyment, activity levels;
- Applying for and receiving the Silver Sport's Award Status:

*'The school has used the additional funding for primary sport to employ coaches to introduce a wide range of new sports as well as to develop teachers' confidence and subject knowledge. As a result far more pupils are involved. Standards in sport have improved, as have pupils' levels of fitness and enjoyment.'* (Silver Sport's Award Assessor)
