Starting from **Wednesday 20th April**, there will be a free Family Fun Club running here at school from 3.15pm to 4.30pm. The club will run for 10 weeks with lots of free goodies up for grabs. The activities include: cooking, working with sports coaches, tennis, dance and time at the park etc. If you wish to come along, then please speak to Miss Stuart (Year 5).

SATS

For 3 days in the Easter holidays, children from Year 6 came into school for a SATs revision workshop. A huge thank you to the children for coming in, and to the staff who were generous enough to give up a portion of their holidays. Just a reminder to Year 6 parents that SATs are from **Monday 9th May to Thursday 12th May**. So please help your children achieve their best by getting them to bed early the night before, and in early for breakfast on the morning of their tests.

Reward Experience

Any child that has above 96% attendance and who has no serious behaviour incidents in the Summer Term (11/04/2016 – 19/07/2016) will be eligible to attend the Reward Experience in July! The Reward Experience at the beginning of this month was a trip to Banbury Odeon Cinema to watch Kung Fu Panda 3. The next Experience will be a fun activity afternoon on the school field which will include bouncy castles and lots of exciting games for the children to play.

Grendon Trip

Well done to all the children from year five who went to Grendon Outdoor Centre. The children had a fantastic time taking part in a whole range of activities including: climbing a telegraph pole then leaping for a trapeze from the top, climbing a 10 metre climbing wall, walking tightropes over a swamp (and frequently falling in) and tunnelling through an underground maze. All of the children overcame fears and challenges as a result of their determination and perseverance. Their support for each other and teamwork enabled so many of them to achieve what they initially thought was impossible. They represented Orchard Fields School brilliantly, and their attitude and behaviour was a credit to themselves and their parents. One of the activity leaders commented that our children had achieved more at the leap of faith than any other group she had worked with.
