

"Living, Loving & Learning With Thankfulness & Hope"

## Vision and Ethos Statement

### Vision

Within the context of a broad, inclusive Christian framework, we are working together to develop a school where individuals can excel and flourish academically, socially and emotionally preparing them for life's journey.

In this children experience, learn and develop;

- Caring and Co-operation
- Achievement and ability
- Responsibility and respect
- Enthusiasm and enjoyment
- Self-esteem and success

### Aims

As we strive for excellence in all that we do, we aim:

- To educate pupils in all aspects of life and to develop their lifetime love of learning
- To foster emotional, spiritual and physical wellbeing, recognising, respecting and celebrating diversity
- To develop creative, questioning and imaginative learners,
- To forge strong links with families and the community,
- To develop citizens who understand the difference between right and wrong and the consequences of their actions on themselves and others,
- To value and celebrate achievements of all
- To inspire and motivate confident pupils, who are active citizens fully prepared for life in modern Britain

### Values

Our core Christian values are;

- Loving
- Thankfulness
- Hope

Please see also 'Promoting British Values' found on the Parent Info flag of our website.
