Egg discovered on school roof!

A mysterious egg appeared on the school roof on Wednesday morning. Ash, Elm and Fir have been trying to work out what it is and where it has come from. Mr Lister was brave enough to go up onto the roof to collect the egg and place it in a special box so it can be sent off to scientists for further investigation. The children have been writing about the discovery and also looking at a nest and some footprints to help them identify the egg. The children have come up with some wonderful ideas and their writing has been very impressive. We will keep you up to date with anything we find out!

Governors Visit

On Wednesday we welcomed our governors into school to complete a learning walk with a focus on writing. They looked at displays and interviewed some of the children about their experiences during lessons. They were very pleased with the work being produced during lessons and in books. We would like to thank them for their time and sharing their thoughts with us.

INTU Christmas Singing Competition

Miss Brumby took a group of children to INTU to take part in a singing competition. The children sang beautifully and the judges spoke very highly of their performance. Thank you to the parents who were available to provide transport for the children and those who joined us to cheer on the children. They were superb ambassadors for our school and we will find out next week if we have made it through to the final.

Football

Mr. Williams took a football team to play at Repton. The team won 7-0 and people commented on how well behaved the children were. The team enjoyed sausages and chips by a log fire. A big well done to Frankie Rose, Leo Artus, Alex Holmes, Ben Jackson and Isaac Holloway. Thank you to all the parents who supported the children.

Christmas Jumper Day

On Friday 18th December we are inviting the children to wear their Christmas jumper to school for a donation of £1 for Save the Children
