Sainsbury's Vouchers

We are again collecting Sainsbury's Active Kids Vouchers. Please send in any that you have already collected. We hope to buy lots of new sporting and playground equipment with the vouchers. Thank you.

Year 1 - Class teacher

As you are probably aware, Miss O'Connor will be leaving us on Friday 29th April as she needs to return to Ireland. We have now completed a long and thorough recruitment process and are delighted to announce that we have appointed Mr Warren Palmer to teach the class for the remainder of the school year. Mr Palmer is an experienced teacher who has availability to teach for this term due to him taking a position in Qatar that begins during the summer holidays. Mr Palmer started working with us on Monday and will be in class with Miss O'Connor for a 2 week hand-over period before she leaves us on the 29th. There will be an opportunity for parents to meet Mr Palmer at an informal drop-in session on Friday 29th April at 3pm-3.30pm. This will also be an opportunity for parents to pop in and say farewell to Miss O'Connor.

Year 6 Mock SATs week

Next week we will be holding a Mock SATs week for Year 6. It is therefore very important that all Y6 pupils attend school every day during this week as we will run through the test administration process with the children to help them to feel more relaxed during the real tests.

Quiz and Chips - Save the Date! Friday 10th June 2016

Miss Sharp and I will be hosting our annual Quiz and Chips event on Friday 10th June on behalf of the FOW. This is always a really popular event with lots of fun and competitiveness! More details to follow soon. So gather your friends and family to make tables of 6-12 people and book a babysitter early so that you don't miss out! We really hope that you can join us to help raise funds for the pupils.

New Uniform

Smartypants Schoolwear will be visiting the school on Friday 24th June with samples of the new uniform. If you would like to purchase any items for your child to wear from September, the uniform supplier will be in the hall from 3.00pm.

Science Week

Next week we have an exciting Science Week planned! On Monday, we will be visited by Bob's Inflatable Planetarium which has been kindly funded by the FOW. Bob will work with all classes from Reception to Y6, with the children having the opportunity to take part in a 40 minute session inside the planetarium. Bob visited the school many years ago with his planetarium and it was a fantastic and exciting experience. We are very grateful to the FOW for making this opportunity available to all pupils. Additionally, we have chick eggs and an incubator arriving from Incredible Eggs on Monday. All pupils will have the opportunity to see the chicks hatching and will take part in caring for them and handling them.
