

Monday 2nd November

Dig and Chip Evening

Dear Parents and Carers,

Welcome back! We hope you have had a lovely half term break!

I just wanted to take this opportunity to remind you of the **'Dig & Chip'** this week on **Wednesday 4th November** from **3.30pm – 5pm**.

Our main focus is to scoop up all of the stones in our Sensory Square so that we can lay some new pathways in the area towards the end of November. If we have lots of helpers on the night, we will also have jobs available to further improve our school grounds including the wild life garden, flower and vegetable beds and areas by the fences all around school. We are hoping to plant some spring bulbs around school and so if you would like to donate any snowdrops, daffodils, tulips or crocuses, they would be greatly received and appreciated! And of course we can't forget the best bit . . . after all of the hard work has been completed; there will be chips and cobs ready and waiting for you in the warmth to enjoy! ☺

It would be excellent if you could join us on this evening as the more hands the better! If you are able to come along, please don't forget your wellies, warm clothes and any gardening tools you may have, including gloves. Please also remember that children are not able to come to this event by themselves, they must be accompanied by an adult.

We look forward to seeing you!

Yours sincerely,

Miss C Coburn

Science Leader and Rolls Royce Science Prize Leader
