

Monday 7th March 2016

*** I need your help! ***

Dear Parents/Carers and children,

As you may or may not know, this year at Ridgeway we have made some exciting changes to our school grounds. Last summer, we were fortunate to be awarded the Rolls Royce Science Prize and through our 'Sensation Activation' project, we have used the funding to:

- ✓ Lay new pathways in the 'Sensory Square'.
- ✓ Build an Outdoor Classroom so that learning can take place outside. As part of this, we have also got a story chair on order that is being made by a professional wood carver, that the children designed themselves. ☺

If you would like to find out more information about the project, please visit:

<http://www.ridgewayinfantschool.org.uk/news/rolls-royce-award-2015>

As former pupils of the school, we would love to hear your views on the new developments we have made. Therefore, I would like to invite you over with Mrs Jones on **Wednesday 16th March** in the afternoon when you can see for yourselves how Ridgeway has changed. As part of this visit, I am hoping to take some photographs and video footage to form part of our project portfolio that is shared on our school website and with Rolls Royce. Please can you complete the consent form below and return to your child's class teacher to let me know if you are happy for your child to be photographed/videoed during their visit back to Ridgeway.

Yours sincerely,

Miss C Coburn

Science Leader and Rolls Royce Science Prize Leader

CCoburn@ridgeway.derby.sch.uk

FAO: Mrs Jones/Miss Coburn

I _____ [please delete as appropriate] **give/do not give** permission for my child _____ to be photographed and videoed for the 'Sensation Activation' project.

I understand that any photographs taken may be displayed on the Rolls Royce Science Prize website and may be used for promotional purposes as well as on the Ridgeway Infant School website.

Signed: _____
