

Child Left Policy

Care Club reserves the right to withdraw places from the scheme if policies and procedures are not conformed to by both parents and children.

If a child's place has been withdrawn from Care Club for whatever reason parents will be given written confirmation with an explanation as to why the place has been removed.

Children who arrive in Care Club after places have been withdrawn will be refused access and school will contact parents with regard to the child's care.

School support this policy.
