

*Parents/Carers Feedback on the  
Home Learning  
Caring for our Environment/ ZumbaTaster*

**1. What went well with my child's Home Learning Project?**

- Rushaun read very well and answered the entire question's been asked.
- A well worked project and presentation.
- Mallika reading and explaining her work to her class.
- We used it to learn about what.
- She was able to remember almost all the information
- We worked together at home and found out about water.
- He had more time and he did put a lot of work in to it.
- Really lovely projects were presented.
- The children had worked hard and understood facts about the environment to a high level.
- She read it out with confidence.
- Neveah talking about her project to her class
- It was a short term but it was fun working on the home learning projects. Great subject choice.

**2. What I thought about today?**

- Rushaun explain well about his project and listening to his teacher.
- A very good start to the day.
- Mallika reading to her class and answering questions, going into more details.
- Good motivation for kids.
- It is a good learning strategy.
- So much more we could do for the environment.
- A very good start to the morning with Zumba.
- The children had done well, some very interesting research on all sorts of topics, including water trees, plants and birds.
- I love watching all the kids; it's a great idea to do this.
- Neveah did well with the reading and explaining her project to the class.
- It's really good to see the different ways that the projects are presented.

**3. Does your child enjoy doing the projects?**
