## Message from the Headteacher

Dear Parents and Children

The joint parish and Christmas Fayre, which was very well attended by parents and parishioners, alike raised £3,800 for Médecins Sans Frontières. This money will be used to help refugees in camps throughout Europe.

Thank you to all who attended and contributed to this event.

**Bullying on social media sites** (Instagram, YouTube and Facebook)

Please be aware that there have been some recent incidents of online bullying brought to our attention. Whilst computers, laptops, iPads, iPods etc. can enrich your child's education, they can also bring misery for some children being who may be bullied online. Please monitor your child's internet use at home. All children cover eSafety in their computing lessons. However, as parents, please reinforce eSafety at home.

Mrs Barnes

### Trip to the cinemas

St John Paul House had their reward trip to the cinema this Wednesday. Forty four children attended and 11 staff. They all really enjoyed it despite the weather conditions!

Please note, children who have had a Golden Time detention will not be eligible to participate in any future reward trips

## Parking !

This week, road safety officers have been observing parking outside school. We have had many complaints from of inconsiderate parking from both parents and residents.

As a reminder, parking on the yellow zig zag carries an immediate fine. If police feel there are any obstructions it will result in fixed penalty notices or vehicles being removed.

For more information please visit the following website

## School Closures

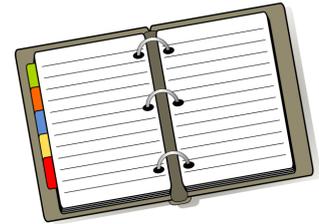

Unfortunately, we are at that time of the year when the weather is unpredictable.

In the event of school being closed due to severe weather or another emergency, we will send a text to parents as soon as a decision has been made. The school website will also be updated as soon as possible. Please can you ensure that the person in receipt of the text, immediately informs whoever is bringing or collecting your child from school. 2BR Radio will also be informed. However the school text message will always be sent before this.

### Change for Life Course

On the 21st January, two members of Year 6, Lydia Guy and Santino, headed down to Fearn's High School at Bacup to take part in Young Leaders training. When we got there we got a sticker which separated the school into four teams. Santino and Lydia were in the blue/honesty team. We had three workshops. The first one was about healthy eating, with Charlotte Hartley who is a former England Women's International hockey player. The second one was all about teamwork and words to become a leader. We played some really good games with Mr Darren and the third one was all about exercise and fun games to play. We learnt a lot and really enjoyed ourselves.

### Year 2 Athletics Competitions

On Wednesday 20th January, eight children from Year 2 competed in a schools athletic competition. We had to run in relays, a standing long jump, chest push a ball and an obstacle course. We had a lot of fun cheering each other on and worked very hard as a team. We came fourth out of eight schools. Well done Year 2 Athletics Team!

Thank you to Mr Little and Mrs Canty for organising this for us.
