Message from the Head Teacher

Dear Parents and Children

Next week is an exciting time for our Year 6 children as they embark on their residential Robinwood trip. They are there for 3 days in total. Our next newsletter will feature their adventures and activities whilst at Robinwood.

This year we have introduced some new House Team names. We have St Teresa of Calcutta (Mother Teresa), St John Paul (Pope), St Bernadette and St Francis of Assisi. The children have researched the Saints as part of their RE lessons. Points are awarded to children for good work, good behaviour, using good manners, trying their best and completing homework activities. I have not forgotten Boulsworth House won the best house last term and they will be having their reward soon.

Please can I ask you to update contact details and ensure we have up to date telephone numbers at the school office so we can contact you should there be an emergency.

CHILDREN'S HOMEWORK

You should have received a letter last week about homework for each class. In addition to this, you will also be able to access Skoolbo, Abacus and Bug Club to assist children with their reading and maths in a fun way. These are good resources to supplement reading and maths. Usernames and passwords have been sent home last term, if you have misplaced or forgotten them, please contact your class teacher who will be able to issue you with this again.

Children are immersed in an incredible learning world and are highly motivated by the inbuilt rewards. Parents and teachers are equipped with an array of tools to help achieve wonderful educational outcomes for their children.

NEWSLETTER

Please can all parents send or pass their email to school so we can send any newsletters or information by email.

You can do this via the school office or send an email to bursar@king-pri.lancs.sch.uk

LIBRARY

Mrs Martin will be continuing to come into school on a Friday morning to allow children to exchange their library books. In addition to this, 8 year 6 children have been trained as Junior Librarians. They have agreed to give up their lunchtime play once a week to allow children to change their library books more often. Please encourage your child to change their library books every week.

CLASS MASSES

This term, each class will have the opportunity to visit Christ the King Church for Mass. The children will take part in the readings, bidding prayers and the offertory. Dates for the individual class masses are in 'Dates for your Diary'. On your child's class Mass day, could you please take your children directly to church for 9am. Parents/grandparents are welcome to join Mass as this is a normal week day Mass for the Parish.

Children who attend Breakfast Club will be taken to Church by Mrs Barnes. After Mass the children will walk back to school with staff.

Focus on... Seeds & Gardeners

Our reception class begin full time this week, and I am sure they are settling into the school routine and enjoying themselves.

One of the things we introduce to the Reception children is our successful Seeds and Gardeners scheme. The Reception class children are our little seeds, and for a seed to grow and flourish they need a gardener to take care of them. The gardeners are the Year 6 children, and their job is to help our youngest children settle into school life. During the course of next week, the Reception class children will be paired with their Gardeners. We will look forward to a special assembly to celebrate this special bond.

This will take place on Wednesday 30th September at 9.15am, and parents and grandparents of our new intake are most welcome to attend.
