

Walk to School Fortnight

THE WALK WHERE EVERYONE WINS

As we have done in previous years we have decided to once again run our Walk to School Initiative in May.

We are doing it because we are trying to persuade pupils and their parents to help the environment and as well as improving their health. The JTAs would like *no-one* to take the car unless they park far away from the school or use Northwick Park carpark and walk.

It is going to start on the 9th of May and will run for two weeks. We are going to be handing out badges each week.

The children can bring their bikes and scooters because this is also an environmentally friendly way to travel as well as being healthy. **For the children who bring their bikes they will only get badges if they also wear a bike helmet.** We want you to be as safe as possible. The children can also get a badge by parking in Northwick Park carpark and then walking to school. So make sure you do all those things so you can get badges and it will be good for the neighbourhood.

We want to encourage people to get exercise and be healthy. We are a healthy school after all! We want to persuade people to walk, cycle and scooter to school.

We, the JTA's, also want to clear the roads for less congestion. This will help make the roads around our fantastic school much safer.

Please support us and do your very best to Walk to School.

Byron Court School - One Step Ahead

From your friendly JTAs
