

Our Playground

To make sure our playground is safe we will:

- go and get an adult if something happens I don't like
- play games that are sensible and do not involve pushing
- take care of our equipment outside and in the classroom
- take care of our school grounds
- listen to others including the adults
- be respectful to each other
- choose words carefully and not hurt each other's feelings
- let others join a game if they ask

HAVE FUN
