

School Council

News

Autumn Term

The Playground

- We would like staff to split up around the playground because it will make it easier for the children to spot them.
- Staff could have an area a day - Sheds, Class 1 and back of school
- Maybe a high visibility jacket could be worn by the staff outside.

SCHOOL GOVERNOR

- The School Council were privileged to meet up with one of our Governors, Mr Dave Copping, who was absolutely delighted at the feedback and knowledge and understanding of healthy eating and keeping ourselves safe by the School Council.
- WELL DONE!!

NEW RECRUITS

- As part of the job of School Council, we have to interview people for different positions in the school. This term we have interviewed people for positions for caretaker and administration assistant. Both positions have now been filled.

Autumn Term

- ◎ The School Council think we should have a dinner lady or an adult to serve ketchup.
- ◎ Certificates/stickers for healthy lunch boxes.
- ◎ No juice in lunchboxes.

Autumn Term

- ⦿ We have suggested that we could have a fruit tuck shop at morning break for Key Stage 2.
- ⦿ Have a Healthy Eating Friday.
- ⦿ We wanted to have a pack lunch menu to put in the newsletter to give healthy ideas.

SCHOOL COUNCIL 2016

**We thank you for
listening
and we wish you all the
best
for 2016**
