

### Broughton Moor Pupil Premium Spending 2015/2016

The government believes that effective use of Pupil Premium funding, which is additional to the main school funding, is the best way to address the current underlying inequalities between children, ensuring that funding to tackle disadvantage reaches the pupils who need it most.

Schools decide how Pupil Premium funding is spent, since they are best placed to assess what additional provision needs to be made for those individual children eligible for the funding.

Since September 2012 schools have been required to publish online information as to how pupil premium has been used.

In 2015-2016 the Pupil Premium allocation to our school is £17,509. Our plans for the allocation is outlined below- please note these are indicative figures only and may vary as the year proceeds funding is allocated and utilised following the census which takes place three times per year.

Activity	Estimated costs
Eco-Day at Bothel school	35
Animal visit to school	35
Enabling eligible pupils to access educational visit	200
Bassenfell residential	254
Mathletics	635
Intervention sessions for English and Mathematics at Key Stage 2	6850
Support within the classroom	4500
Intervention sessions for English and Mathematics at Key Stage 1	5000
Total	£17,509
