*"I have loved you with an everlasting love"*  
Jeremiah 31:3

**Reception:** Well we have had a funny week in reception. The children have enjoyed changing the story of Jack and the beanstalk and they have produced some fantastic new versions which they have enjoyed recording. Please log on to tapestry to see the finished products.

In writing next week we will be working on instructions and will be making sandwiches, brushing our teeth, making a drink etc. In Maths we are going to be looking at sharing. In RE we are looking at the story of doubting Thomas. Have a lovely weekend.

**Year 1:** This week the children have been working very hard learning about the five senses in our Science topic. From this, they produced some fantastic writing that they shared and edited with others –they enjoyed being mini-teachers! In Maths, we are now starting to look at numbers to 100 and beyond. This is a very big jump from our previous unit, which looked at number to 40, so as always, any help with counting and recognising numbers up to 100 would be very much appreciated. Next week, we will be looking to change our story in Literacy 'Monkey See, Monkey Do' into our own version – hopefully we will have great results with this! Thank you also for continuing to read at home with your children. Miss Cook and I are seeing a big change in the children when it comes to reading and accessing books in the classroom, especially with the children who are reading at home too with your support. Thank you! Have a lovely weekend!

**Year 2:** Next week we are going to create scenes in a story using speech between two characters. We are also writing extended sentences using subordinating and coordinating conjunctions linked to our spelling work. In maths we are continuing with different word problems using the bar method to find ' difference ' between numbers. The children are enjoying our topic work about Lowry and the industrial mills in his pictures. Have a great weekend.

**Year 3:** Well what a strange week! With only being in school for 3 days, children have had an interrupted week. We have been continuing with our 8 times tables and division facts in Maths and in Literacy completing our unit on myths. Year 3 enjoyed swimming on Wednesday – can I please ask that if your child is unable to complete swimming or PE for any reason that a note is sent in with your child. Many thanks. Next week, in Literacy, we will look again at adventure stories and how to create excitement with our writing – we will be using the text 'The Tunnel' by Anthony Browne. Have a great weekend.

**Year 4:** This week, the children have worked really well. We have been looking at writing effective story openings in Literacy and in Maths, we have been looking at angles; deciding whether they are acute, obtuse or right angles. This coming week, we will be looking at a story with a dilemma – Living on Ice. The children will be thinking about making up and writing their own ending to go with their story. In Maths, we will be thinking about triangles and how to classify them as scalene, equilateral, isosceles and right angled triangles. We will also think about quadrilaterals, in particular how to identify a rhombus, parallelogram, trapezium and rectangle. In RE, we will be thinking about the conversion of St Paul. Homework this week will be on Mathletics – have a look at the section on angles. Have a great weekend everybody!

**Year 5:** It has been a short but sweet week in school! We have finished looking at angles in maths and will be moving on to transformations next week. In literacy we have begun to write our own narrative poems based around the work of L. S. Lowry. We will complete these poems next week before moving on to writing letters. Our residential trip to Lockerbie is fast approaching so please do come and see me if you have any questions or concerns. I hope you have a lovely weekend!

**Year 6:** The children have been working really hard this week, preparing for their SATs. We all know that this year is particularly difficult for them, as the expectations for y6 children have changed. The only homework for this weekend is for the children to enjoy the sun and get plenty of sleep! Next week they should be at school no later than 8:50am. All tests will take place in the mornings from Monday to Thursday. PE will be on Wednesday and Thursday as usual. If, for any reason your child is unable to come to school, please call the office as soon as possible. As soon as the tests are over, we will be starting our topic, 'The Ancient Greeks'. Could you please save any shoe boxes (or boxes of a similar size) ready for building models. Have a great weekend!

**A NOTE FROM MRS NICHOLAS (PLEASE READ THIS SECTION AS ALL SCHOOL INFORMATION IS IN HERE)**

**WHAT'S BEEN HAPPENING:** It's been a short week with being in for only three days, I think we are all a little disorientated and not sure what day it is! The three days we have been in have been full of hard work though. Thank you to those parents who have sent in their form C's for the residential trips, please could we ask that the remaining ones are sent in on Monday as the paperwork is now overdue.

**WEEK COMMENCING 9th MAY:** Year 6 will be taking their SATs tests this week from Monday to Thursday, please see Mrs Orchard's section overleaf. Children can if they wish come to breakfast club which starts at 8am and costs £1 per day. Having a good breakfast does help with concentration so they are all welcome to come along. We wish all of the children good luck for the tests, we know you will all do your best as always.

Letters will be sent home about this next week. On Tuesday 25<sup>th</sup> we have our May Procession at 10am. You are all welcome to attend, please come to school if you wish to walk over to Church with the children or you can wait in Church. Year 4 go off on their residential trip to Lockerbie on Wednesday 25<sup>th</sup> and return on Friday 27<sup>th</sup> May. Year 6 will be having a bag pack / collection in Tesco Millom on Wednesday 25<sup>th</sup> and Thursday 26<sup>th</sup> to help with their residential trip funds. Please do support them if you possibly can. We break up for half term on Friday 27<sup>th</sup> May at 3.30pm. First Communion is on Sunday 28<sup>th</sup> May during the 10.30am Mass.

**ADVANCE INFORMATION – PLEASE READ!** School will be closed on **THURSDAY 23<sup>rd</sup> JUNE** as our building is being used as a Polling Station for the EU Referendum. Please do pass this around to everyone as we are aware by the telephone calls we had last Wednesday, that not all parents are reading the information we send in newsletters, texts, emails or facebook messages. We do try very hard to keep you informed, if you can, please do check our school facebook site regularly for any updates.

**IMPORTANT:** Please can we ask you to check your children's heads thoroughly. We have had some instances of head lice in school so please do be vigilant. Lotion is no longer available from the Children's Centre. We have been advised to direct people to the Community Pharmacy Minor Ailment Scheme which is at either of the Chemists in Millom. If you do NOT normally pay a prescription charge, pharmacists will be able to provide you with advice and/or medicines for minor conditions free of charge.

I hope you all enjoy the lovely weather forecast this weekend!
