

Minutes from Student Council meeting 22nd April 2016

- We discussed the last student council meeting.
- The student feedback from STEM week, was that the students really enjoyed the 'Crystal Maze' puzzles.
- James like the shared learning through games and liked going to sixth form.
- Michael thought the different tasks were challenging.
- The students wanted to create something for the Tour de Yorkshire. Some ideas were to create a bike from card and paper.
- James suggested student council go out and look at the rout for bikes.
- Art and craft club are going to make a scarecrow rider

- We need to allocate some time for some students to clean the pond and surrounding area.
