

PE KIT - SEPTEMBER 2016

In September 2016, our new students will be required to have the new PE kit which we have developed over the past year taking students ideas into consideration. The new kit is more affordable, the fabrics are updated which are more breathable, easier to wash and take very little time to dry. They also offer students a greater range of PE kit to see them through the winter and summer months at Meols Cop High School. Our kit is available from Whittakers and Zips'n'Snips.
