

Alderman Pounder Infant School

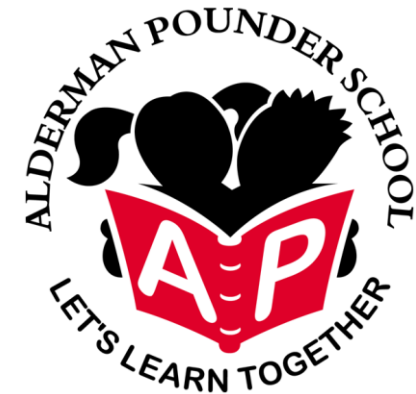

OUR AIMS

At Alderman Pounder Infant School we work to provide a secure and caring environment in which there is equality of opportunity for each child to develop to his or her full potential.

We seek to enable children to grow in independence and to have respect for themselves and others.

We are committed to working in partnership with all those involved in our children's development and to promoting a positive image within the local community.

The agreement is reviewed with governors, some of whom are parents themselves, staff and school council.
