## Introduction

The governing body of Hillside Primary School is committed to providing quality education for all its pupils, based on equality of opportunity, access and outcomes. This governing body recognises that, nationally, there is considerable educational underachievement of children in residential and foster care, when compared with their peers, and is committed to implementing the principles and practice, as outlined in "Guidance On The Education Of Looked After Children"(May 2000) and Section 52 of the Children Act 2004.

Children who are "looked after" may be "Accommodated ", "In Care" or "Remanded/detained" as follows.

- Accommodated (Section 20): This is a voluntary arrangement, because parents are ill, missing, unable to cope, or as part of a child protection plan negotiated with the family. The parents retain parental responsibility.
  
- In Care  
A child is in care only if a court has granted a Care Order which it will issue if it believes a child to be suffering or likely to suffer significant harm. A care order generally gives parental responsibility to the local authority, or shares this with the parents.
  
- Remanded/detained  
A child can be remanded or detained as in the following:-
  - (i) an emergency protection order
  - (ii) removed by police using their powers of protection
  - (iii) remanded by a court following criminal charges
  - (iv) a court directing a social services department to accommodate a child (already on a supervision order for criminal behaviour) for up to six months.

Looked After Children may (or may not) have some or all the following:-

- low self esteem
- poor education standards due to time out of school
- delayed social/emotional/ cognitive development
- poor attachments to others
- a need to be very private

They may also:

- be likely to be bullied or bully others
- be prone to mental health issues
- be isolated with few friends

This makes them an extremely vulnerable group in terms of education and future life-chances. The governing body of Hillside Primary School is committed to ensuring that these children are supported as fully as possible and will ensure that the following are in place, and are working effectively:

- there is a named Designated Teacher for Looked After Children who is part of the School Leadership Team
- there is a named Governor For Looked After Children
- electronic Personal Education Plans for all Looked After Children ("ePEPs") including attainment data are kept up to date and reviewed at least once every six months
- all staff have a clear understanding of confidentiality and issues that affect Looked After Children and appropriate training is provided where necessary
- effective strategies that support the education of this vulnerable group are included in all planning for Looked After Children and implemented.

- ensure that an ePEP is completed as soon as possible (NB this should be prepared with the child and the carer, in liaison with the social worker and other relevant support workers/agencies, and be linked to the Care Plan meetings, within 28 days, 3 months and 6 months and, at least, every 6 months);
- keep ePEPs and other records up to date, particularly in time to inform review meetings;
- ensure that each child in public care (if they wish) has an identified member of staff that they can talk to (NB this should be based on the child's request, and may not necessarily be the Designated Teacher);
