

CATCH UP WITH FRIENDS

What we've done ...

SPRING FLING

In April, FoNFS held its very first family disco at the village hall. When tickets went on sale we were worried no one would come, but we needn't have been! Tickets sold out in under a week – a complete first for FoNFS! Thank you so much to everyone who bought tickets.

The idea behind this event was to raise a little money for the school, but more importantly give everyone a good value, family friendly night out. We kept our bar and tuck prices low and our fantastic DJ kept the kids entertained while the adults put their feet up.

A special thank you to Serendipity Florist on Church road. They kindly donated plants as centrepieces for our tables, which we then raffled off for free at the end. Congratulations to all you lucky parents who got a little bonus to go home with at the end of the night.

We managed to make was a whopping £646.05 for the school.....and thoroughly enjoyed ourselves doing it!

OPEN GARDENS RAFFLE

Open Gardens planning is well underway (it started in February!!) and this year we've made a change to the raffle. Due to the amazingly generous prize donations we've received, we've decided to pre-sell tickets to try and raise as much money as possible this year.

A book of raffle tickets came home in your child's book bag earlier this month, and a massive thank you to all who have already sent their stubs and cash back, we really really do appreciate you supporting us when we try new things! If you'd rather not buy any raffle tickets (or sell them on our behalf), for whatever reason, could you please return your ticket book to the school office ASAP so we can allocate it elsewhere. Thank you

SCARECROW ASSEMBLY

On Thursday 12th May, two of our committee members came into school to talk to the children about the Scarecrow Contest that runs alongside Open Gardens during assembly.....and chaos ensued!! Apologies to everyone who's children came home wet, or covered in polystyrene 'snow', but if it's any consolation, Mr. Orr certainly came off the worst during the assembly!

We really hope all the fun inspired the kids (and yourselves!) to join in and make a scarecrow this year. The contest will be judged by last year's winner, Maisy Jackson, and there will be a trophy and family ticket for The Deep as first prize. The child(ren) who win this year's contest will be invited to judge for us next year. We think this is a really nice way of getting the children involved in their community, so we hope you approve. An application form went home in book bags that same day and we really hope you will all join in!

STARLIGHT BIN

Our big blue bin in the Co-op has been working overtime again, raising £155.90 this half-term. Don't forget to keep filling it with all your unwanted clothes, shoes, belts, handbags and household linen. Thank you!

Still to come ...

OPEN GARDENS

SUNDAY 19TH JUNE, 11am – 4pm. This year, Open Gardens will be returning to its roots with the focus being shifted back onto the stars of the show, the gardens themselves. The brass band will be returning to play in three of our gardens throughout the day and our ever popular BBQ will be in residence at the allotments.

But most exciting of all, FoNFS are ecstatic to announce that for the first time ever The Skylarks will be joining us to entertain the crowds with acoustic sessions throughout the day!

Programs and wristbands (another new addition) will be available in advance from the Post Office and school office after half-term.

We hope to see you all there!

KS1 SPORTS DAY REFRESHMENTS

WEDNESDAY 6TH JULY. FoNFS will be selling refreshments (reasonably priced as always!) during the KS1 Sport's Day, though not during KS2 Sport's Day as previously reported (apologies!). So don't forget your purses on the day!

THE HEAT RAVE

FRIDAY 15TH JULY, 6 – 10pm. Hot on the heels of it's little sister, The Spring Fling, FoNFS are pleased to announce the coming of our next family disco, The Heat Rave. All we heard was positive feedback from The Spring Fling, so The Heat Rave will be in exactly the same vein – a good value night out for all to enjoy. Ticket order forms will be sent home in school book bags after half-term so keep your eyes peeled.

CAR BOOT SALE

SATURDAY 17TH SEPTEMBER. Our next Car Boot Sale is already in the planning, so save the date in your diaries.

THE SPOOKTACULAR

FRIDAY 21ST OCTOBER, 6 – 10pm. Our third family disco at the village hall is already booked and planning is underway for a real Hallo-scream of a night!!
