

Our Internet and E-mail Rules

At Irthlingborough Nursery and Infant School we use an icon called Hector the Dolphin to keep our children safe on the internet. To find out more please follow the link to Hectors World at the bottom of the page.

- We use the internet safely to help us learn.
- We know that it is important to follow the rules.
 - We only tell people our first name.
 - We know who to ask for help.
- If we see something we do not like we know what to do.
- We write polite and friendly emails under adult supervision.
 - We can go to www.thinkuknow.co.uk for help.

Always ask a grown up before you use the internet. They can help you find the best thing to do.

Don't tell strangers where you live, your phone number or where you go to school. Only your friends and family need to know that.

Don't send pictures to people you don't know. You don't want strangers looking at photos of you, your friends or your family.

Tell a grown up if you feel scared or unhappy about anything.

Ask a grown up to help you put the hyperlink on your computer. This will mean you can press it if anything makes you scared or unhappy. **Hector's World Safety Button**

You can also call '**Childline**' on: **08001111** to talk to someone who can help.
